EXECUTIVE SESSION

ADJOURNMENT

In compliance with the Americans with Disabilities Act, the City of Gardner will provide reasonable accommodations for all public meetings. Persons requiring accommodations in attending any of our public meetings should contact the City Clerk's Office at 913-856-0945 a minimum of 48 hours prior to the meeting.

PROCLAMATION

WHEREAS, September 17, 2021, marks the two hundred and thirty-fourth anniversary of the drafting of the Constitution of the United States of America by the Constitutional Convention; and

WHEREAS, it is fitting and proper to accord official recognition to this magnificent document and its memorable anniversary; and to the patriotic celebrations which will commemorate the occasion; and

WHEREAS, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through 23 as Constitution Week,

NOW, THEREFORE BE IT RESOLVED, that I, Steve Shute Mayor of the City of Gardner, Kansas, do hereby proclaim the week of September 17 – 23, 2021 be designated

Constitution Week

and ask our citizens to reaffirm the ideals of the Framers of the constitution had in 1787 by vigilantly protecting the freedoms guaranteed to us through this guardian of our liberties, remembering that lost rights may never be regained.

In witness whereof, I have hereunto set my hand and caused the Seal of the City of Gardner, Kansas to be affixed this 7th day of September, 2021.

Discussion Item: Gardner Golf Course Update

Department: Administration

Background Information

Mark Mallory, Gardner Golf Course manager, will present an update to the governing body regarding the golf course.

COUNCIL ACTION FORM

PUBLIC HEARING ITEM NO. 1

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: MATTHEW WOLFF, FINANCE DIRECTOR

Agenda Item: Consider holding a public hearing to receive public input regarding the amendment of the FY 2021 budget

Strategic Priority: Fiscal Stewardship

Department: Finance

Staff Recommendation:

Staff recommends the Governing Body hold a public hearing to amend the FY 2021 budget, as required by K.S.A. 79-2929a

Background/Description of Item:

The Governing Body adopted the FY 2021 Budget at the August 17, 2020 Council meeting. The Governing Body's approval of the annual budget sets the expenditure authority for the City's various funds for that budget year.

K.S.A. 79-2929a permits governing bodies to amend their current budget and requires the same notice and public hearing process as required for adoption of the original budget.

In order to avoid a potential budget violation for the FY 2021 budget a "housekeeping/technical" budget amendment is needed to increase expenditure authority for the Main Street Market Place Community Improvement District (CID) Fund. In compliance with K.S.A. 79-2929a, the proposed increase shall be balanced by previously unbudgeted revenues in revenue other than ad valorem property tax. The Main Street Market Place CID Fund is funded from CID sales tax generated by the Main Street Market Place CID. There is no additional mill levy associated with this budget amendment.

In summary, the cause of the "housekeeping/technical" amendment is the carryover of CID sales tax that was generated in 2020 and the need to increase budget authority to be able spend the funds. Per the Main Street Market Place Development Agreement, the funds will be used to reimburse the developer for eligible project costs and the City for administrative costs.

In compliance with K.S.A. 79-2929, the notice of 2021 amended budget hearing was published in the August 24th edition of *The Legal Record*. The notice of 2021 amended budget hearing was also published on the City's website on August 24th.

Attachments Included:

- *Amended Certificate for Calendar Year 2021*

Suggested Motion:

Hold a public hearing to receive public input regarding the amendment of the FY 2021 budget.

- Ordinance No. 2717

Suggested Motion:

Adopt Ordinance No. 2717, an ordinance amending the 2021 Budget of the City of Gardner, Kansas.

ORDINANCE NO. 2717

AN ORDINANCE AMENDING THE 2021 BUDGET OF THE CITY OF GARDNER, KANSAS.

WHEREAS, following proper notice as prescribed by law, the Governing Body of the City of Gardner, Kansas held a public hearing for the purpose of answering questions, hearing objections and receiving feedback regarding the City's proposed amendment of the 2021 budget; and

WHEREAS, said public hearing was properly held before the Governing Body on September 7, 2021.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GARDNER, KANSAS:

SECTION ONE: Amendment of Budget. The City of Gardner hereby amends its budget for the year 2021. Copies of said budget shall be open for inspection in the office of the City Clerk during business hours. Upon filing of the budget with the County Clerk of Johnson County, Kansas, said budget shall constitute an appropriation for each fund, and the appropriations thus made shall not be used for any other purpose, pursuant to K.S.A. 79-2934.

SECTION TWO: This ordinance shall take effect and be in force from and after its passage, approval and publication as provided by law.

PASSED by the City Council this 7th day of September, 2021.

SIGNED by the Mayor this 7th day of September, 2021.

COUNCIL ACTION FORM

PUBLIC HEARING ITEM NO. 2

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: MATTHEW WOLFF, FINANCE DIRECTOR

Agenda Item: Consider holding a public hearing to receive public input regarding the City's intent to exceed the revenue neutral rate

Strategic Priority: Fiscal Stewardship

Department: Finance and Administration

Staff Recommendation:

Staff recommends the Governing Body hold a public hearing to receive public input regarding the City's intent to exceed the revenue neutral rate as required by Senate Bill 13 and House Bill 2104

Background/Description of Item:

Senate Bill 13 established new notification and public hearing requirements if the proposed budget exceeds the revenue neutral property tax rate. The revenue neutral rate is the mill levy required to raise the same amount of property tax as the prior year using current year assessed valuation amounts. The Johnson County Clerk calculated Gardner's revenue neutral rate for FY 2022 as 19.278. The City's proposed FY 2022 budget is based on a proposed mill rate of 20.165, which exceeds the revenue neutral rate.

In compliance with Senate Bill 13 and House Bill 2104, the City published notice of the public hearing to consider exceeding the revenue neutral rate in the August 24th edition of *Legal Record*. The notice of hearing was also published on the City's website on August 24th.

Suggested Motion:

Hold a public hearing to receive public input regarding the City's intent to exceed the revenue neutral rate

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 2

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: MATTHEW WOLFF, FINANCE DIRECTOR

Agenda Item: Consider adopting a resolution of the City of Gardner, Kansas, to exceed the revenue neutral rate for the fiscal year 2022 budget

Strategic Priority: Fiscal Stewardship

Department: Finance

Staff Recommendation:

Staff recommends adopting a resolution of the City of Gardner, Kansas, to exceed the revenue neutral rate for the fiscal year 2022 budget

Background/Description of Item:

Senate Bill 13 established new notification and public hearing requirements if the proposed budget will exceed the revenue neutral property tax rate. The revenue neutral rate is the mill levy required to raise the same amount of property tax as the prior year using current year assessed valuation amounts. The Johnson County Clerk calculated Gardner's revenue neutral rate for FY 2022 as 19.278. The City's proposed FY 2022 budget is based on a proposed mill rate of 20.165, which exceeds the revenue neutral rate.

In compliance Senate Bill 13 and House Bill 2104, the City published notice of the public hearing to consider exceeding the revenue neutral rate in the August 24th edition of *Legal Record*. The notice of hearing was also published on the City's website on August 24th.

Attachments Included:

- Resolution No. 2092

Suggested Motion:

Adopt Resolution No. 2092, a resolution levying a property tax rate exceeding the Revenue Neutral Rate for the City of Gardner, Kansas

RESOLUTION NO. 2092

A RESOLUTION LEVYING A PROPERTY TAX RATE EXCEEDING THE REVENUE NEUTRAL RATE FOR THE CITY OF GARDNER, KANSAS.

WHEREAS, the Revenue Neutral Rate for the City of Gardner, Kansas ("City") was calculated as 19.278 mills by the Johnson County Clerk; and

WHEREAS, the Fiscal Year 2022 Annual Budget and the City's intent to exceed the Revenue Neutral Rate have been discussed by the Governing Body at various City Council meetings and other public meetings noticed in accordance with state law; and

WHEREAS, the Fiscal Year 2022 Annual Budget proposed by the Governing Body of the City will require the levy of a property tax rate exceeding the Revenue Neutral Rate; and

WHEREAS, notice of publication of the City's intent to exceed the Revenue Neutral Rate and public hearing was made as provided by law; and

WHEREAS, the Governing Body of the City held a hearing on September 7, 2021 allowing all interested taxpayers desiring to be heard an opportunity to give oral testimony; and

WHEREAS, the Governing Body of the City, having heard testimony, finds it is in the best interest of the City to exceed the Revenue Neutral Rate.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GARDNER, KANSAS:

SECTION ONE: The City of Gardner, Kansas ("City"), a municipal corporation, does hereby authorize levying a property tax rate exceeding the Revenue Neutral Rate of 19.278 mills and levy the proposed tax rate of 20.165 mills for fiscal year 2022 as presented at the September 7, 2021 City Council meeting.

SECTION TWO: This Resolution shall take effect and be in force from and after its passage.

SECTION THREE: On or before October 1, 2021, the City's Finance Director, in coordination with the City Clerk, shall certify with the Johnson County, Kansas County Clerk (the "County Clerk") the amount of ad valorem tax to be levied and the total amount of the adopted Fiscal Year 2022 Annual Budget along with other information pertaining thereto in accordance with State law.

{The remainder of this page left intentionally blank.}

ADOPTED by the Gardner Governing Body this 7th day of September, 2021.

COUNCIL ACTION FORM

PUBLIC HEARING ITEM NO. 3

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: MATTHEW WOLFF, FINANCE DIRECTOR

Agenda Item: Consider holding a public hearing to receive public input regarding the proposed FY 2022 Budget

Strategic Priority: Promote Economic Development, Improve Quality of Life, Infrastructure and Asset Management, and Fiscal Stewardship

Department: Finance and Administration

Staff Recommendation:

Staff recommends the Governing Body hold a public hearing for the proposed FY 2022 Budget, as required by K.S.A. 79-2929.

Background/Description of Item:

Although the City prepared the Revised Biennial Budget for FY 2021-2022, Kansas law requires annual budget approval. The Governing Body is scheduled to adopt the proposed FY 2022 budget on September 7, 2021, following the required public hearings.

Kansas law requires a public hearing prior to the adoption of the budget. Per K.S.A. 79-2929, "Prior to the filing of the adopted budget with the county clerk, the governing body of each taxing or political subdivision or municipality shall meet for the purpose of answering and hearing objections of taxpayers relating to the proposed budget and for the purpose of considering amendments to such proposed budget. The governing body shall give at least 10 days' notice of the time and place of the meeting by publication in a weekly or daily newspaper of the county having a general circulation therein. [...]"

In compliance with K.S.A. 79-2929, the Notice of Budget Hearing was published in the August 24th edition of *Legal Record*. The notice was also published on the City's website on August 24th.

As one of the key components of Priority-Based Budgeting is "stakeholder input," comments from the public are encouraged.

NEW BUSINESS ITEM NO. 3

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: MATTHEW WOLFF, FINANCE DIRECTOR

Agenda Item: Consider adopting an ordinance adopting the Fiscal Year 2022 Budget

Strategic Priority: Fiscal Stewardship

Department: Administration/Finance

Staff Recommendation:

Staff recommends adopting an ordinance adopting the FY 2022 Budget.

Background/Description of Item:

Although the City prepared the Revised Biennial Budget for FY 2021-2022, Kansas law requires annual budget approval.

On September 7, the statutorily required budget hearing for the FY 2022 Budget was held in compliance with K.S.A. 79-2929.

Following is a summary of the FY 2022 Budget that is before the Governing Body for approval:

- The budget is structurally sound, as represented by adequate reserves in both tax levy funds and the utility funds at the end of year (EOY) 2022.
- Projected EOY 2022 General Fund Balance is 37%.
- There is a 0.5 mill levy decrease compared to the 2021 mill levy rate. The estimated FY 2022 mill levy is 20.165; FY 2021 had a mill levy of 20.665.
- It provides for continued investment in infrastructure to improve the quality of life for residents and support community growth.
- It includes funding for 6.5 new full-time equivalent (FTE) positions to help maintain vital public services as the community continues to grow in terms of both volume complexity
- Includes a planned water rate increase of 3.7% in 2021 to support the water treatment plant expansion project.
- There are no planned rate increases for the electric and wastewater utilities.

CITY OF GARDNER, KANSAS**

Page No. 2021 – 108

August 16, 2021

The City Council of the City of Gardner, Kansas met in regular session on August 16, 2021, at 7:00 p.m. in the Council Chambers at Gardner City Hall, 120 East Main Street, Gardner, Kansas, with Mayor Steve Shute presiding. Present were Councilmembers Todd Winters, Mark Baldwin (via computer), Kacy Deaton, Randy Gregorcyk, and Tory Roberts. City staff present were City Administrator James Pruetting; Deputy City Administrator Amy Nasta; Finance Director Matthew Wolff; Police Chief James Belcher; Utilities Director Gonzalo Garcia; Parks and Recreation Director Jason Bruce; Community Development Director David Knopick; Public Works Director Kellen Headlee; City Attorney Ryan Denk; and City Clerk Sharon Rose. Others present included those listed on the sign-in sheet and others who did not sign in.

CALL TO ORDER

There being a quorum of Councilmembers present, Mayor Shute called the meeting to order at 7:00 p.m.

PLEDGE OF ALLEGIANCE

Mayor Shute led those present in the Pledge of Allegiance.

PRESENTATIONS

PUBLIC HEARINGS

- 1. Hold a public hearing for the purpose of receiving comments to a request for a Waiver of the Distance Limitation to allow for the distribution of cereal malt beverage, wine, and spirits samples within 200 feet of a school, church or library during the Grand Slam Craft Beer, Wine and Spirits Fest to be held October 1, 2021 at Celebration Park**

Councilmember Winters made a motion to open a public hearing for the purpose of receiving comments to a request for a Waiver of the Distance Limitation to allow for the distribution of cereal malt beverage, wine, and spirits samples within 200 feet of a school, church or library during the Grand Slam Craft Beer, Wine and Spirits Fest to be held October 1, 2021 at Celebration Park

Councilmember Deaton Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

No members of the public came forward.

Councilmember Gregorcyk made a motion to close the public hearing.

Councilmember Deaton Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

PUBLIC COMMENTS

Deana Kincade, 20835 S. Cedar Niles, Spring Hill, manages a fireworks tent in Gardner. She expressed concerns with another tent and had called police twice. She wants the council to be aware of issues with that vendor. They were shooting fireworks a few feet from the tent, and one fell over and went into the tent. She said the public does shoot off fireworks in the old Price Chopper parking lot, but they will leave when asked. The tent in front of the old building is unsafe. She suggested additional language in the permit application that they can't shoot close to the tents.

CONSENT AGENDA

- 1. Standing approval of the minutes as written for the regular meeting on August 2, 2021**
- 2. Standing approval of City expenditures prepared July 30, 2021 in the amount of \$431,228.63; and August 6, 2021 in the amount of \$316,714.12**
- 3. Consider accepting a quit claim deed from Prairiebrooke Development Company, L.P. and authorize the purchase of Tract "A"**

August 16, 2021

4. **Consider authorizing an agreement with Automated Merchant Systems, Inc. (AMS) for credit card processing services for the Utility Billing Division's integrated voice response system (IVR)**
5. **Consider accepting the dedication of right-of-way and easements for the Waverly, US-56 to Fountain Project**
6. **Consider authorizing the execution of an agreement with Go Full Cloud for Office 365 licensing**
7. **Consider reappointments to the Airport Advisory Board**
8. **Consider the execution of a Right-of-Way Maintenance Agreement for the Prairie Trace Estates development project**
9. **Consider the acceptance of permanent easement dedication documents for the Prairie Trace Sanitary Sewer Improvements project**
10. **Consider an amendment to the current engineering services contract with George Butler and Associates (GBA) for the design of the West Prairie Trace Sanitary Sewer Improvements**
11. **Consider appointing a City of Gardner representative to the Kansas Municipal Gas Agency Board of Directors**
12. **Consider accepting a Water and Development Agreement between Conestoga Expansion, LLC and the City of Gardner**

Councilmember Deaton made a motion to approve the Consent Agenda.

Councilmember Winters Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

PLANNING & ZONING CONSENT AGENDA

COMMITTEE RECOMMENDATIONS

1. **Consider adopting an ordinance approving a rezoning for the proposed Treadway Apartments, and consider accepting the associated Site Plan**

Community Development Director Knopick presented a rezoning for a parcel just over 2 acres in size. It's down-zoning from C-3 to R-3. The rezoning was previously approved as part of the Grata development, but they need additional land in the R-3 district.

Councilmember Gregorcyk made a motion to accept the recommendation of the Planning Commission and approve an ordinance changing the zoning classification or districts of certain lands located in the City of Gardner, Kansas, under the authority granted by Title 17 of the Municipal Code of the City of Gardner, Kansas

Councilmember Deaton Seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2714.

Gregorcyk:	Yes
Roberts:	Yes
Baldwin:	Yes
Deaton:	Yes
Winters:	Yes
Shute:	Yes

2. **Consider adopting an ordinance approving a rezoning for the proposed Cypress Creek subdivision, and consider accepting the associated Preliminary Development Plan**

RECORD OF PROCEEDINGS OF THE GOVERNING BODY

CITY OF GARDNER, KANSAS

Page No. 2021 - 110

August 16, 2021

Community Development Director Knopick said this is just under 100 acres north of the high school and poplar. It was annexed into the city on June 21, 2021. It retained the county zoning RUR district. As part of this development request, the applicant is requesting an RP-2 zoning. This is for a single-family development. The RP-2 request is because of the lot size. The lots are smaller than the standard suburban lots that R-1 districts allow. The R-1 district has a minimum lot width of 70 ft. The lots proposed are in the 50-65 ft range. Because this is a planned district and is deemed a single-family development, the preliminary plan is also part of this action. If the rezoning ordinance is approved, the preliminary plan will become part of the regulations for the development site. Any changes to the proposed development would require a public hearing in front of the Planning Commission. The comprehensive plan identifies this parcel as low-density residential future land use, so this proposal is in conformance with the plan.

Councilmember Gregorcyk noted the proximity to the high school and asked if traffic studies will be done. Director Knopick said a preliminary traffic study was done. The development has 289 lots divided into pods so not all traffic will enter/exit on Madison. Gregorcyk asked about improvements to 167th on the north side. Knopick said the increased development on 167th will trigger improvements. New developments like this one will get safety-oriented improvements. Public Works Director Headlee said the traffic studies will take into account peak traffic counts. Staff will collect data. Gregorcyk asked about the phased approach. Knopick said they have four phases.

Harold Phelps, Phelps Engineering said the first two phases will start in the south end, then move north. Gregorcyk asked how long it would take. Mr. Phelps said each phase will take about a year. They plan to start a phase next year, and it will be a year to build out while building the next phase, so it will be 5-6 years to completion. Mayor Shute noted two points of conflict. The first phase, westbound Fountain, exits onto Waverly, and the two sub streets line up with the high school. Did they have any discussion with school district? Phelps said they submitted the traffic report to the school district, and have had conversations. They haven't indicated any opposition. Traffic engineers recommend limiting left turn movement in the mornings on the main entrance. Councilmember Roberts expressed concerns about the intersection of Waverly and 167th. There is a stop sign for Waverly, but not for 167th. With extra development, that intersection may need to be included. Phelps said it was included, and there wasn't a negative impact on it, but they will monitor it. Councilmember Winters asked if there was any comment at the Planning Commission. Knopick said there were residents at the meeting to see the presentation and had inquiries about some items, and there were some comments after the meeting. No one stood up and spoke in opposition or support of the item. The applicant will consider the comments in the final plan. Winters asked what the price range will be for the smaller footprint homes. Knopick the lots are in the 50 ft range because of the streamway and the open space they retained. Don Draper, Rauch Coleman Homes, said they haven't determined the lineup for these homes. The product will fit on 40 ft pad, and the homes will range from 1200 sq ft to 2000 sq ft. Based on today's costs, they can expect them to fall in the \$275,000-350,000 price range.

Councilmember Gregorcyk made a motion to accept the recommendation of the Planning Commission and approve an ordinance changing the zoning classification or districts of certain lands located in the City of Gardner, Kansas, under the authority granted by Title 17 of the Municipal Code of the City of Gardner, Kansas

Councilmember Deaton Seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2715.

Roberts:	Yes
Baldwin:	Yes
Deaton:	Yes
Winters:	Yes
Gregorcyk:	Yes

CITY OF GARDNER, KANSAS

Page No. 2021 - 111

August 16, 2021

1. Consider a request for a Waiver of the Distance Limitation and a special event permit to allow for the distribution samples of cereal malt beverages, wine and spirits within 200 feet of a school, church or library during the Grand Slam Craft Beer, Wine and Spirits Fest to be held October 1, 2021 at Celebration Park

City Clerk Sharon Rose said this is a housekeeping item related to the public hearing held at the beginning of the meeting to allow for samples of spirits, wine and beer at Celebration Park.

Mayor Shute asked for the definition of a sample in this case. Parks Director Bruce said one sample is a 2 oz. glass that attendees get with the purchase of their tickets. Councilmember Gregorcyk asked if the barbeque event will be in the parking lot. Bruce said they changed it to a different weekend. Councilmember Baldwin noted the preliminary agenda included a waiver for the beer garden, and asked why it was pulled. Bruce said they were considering a public event in conjunction like years past, but because the events have been separated, staff pulled it for this year.

Councilmember Deaton made a motion to approve a Waiver of the Distance Limitation and a special event permit to allow for the distribution of samples of cereal malt beverages, wine and spirits within 200 feet of a school, church or library during the Grand Slam Craft Beer, Wine and Spirits Fest to be held October 1, 2021 at Celebration Park

Councilmember Baldwin Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

2. Consider authorizing the execution of a contract with Allied Power Group for repair and improvement work on the Gas Turbine cooling system

Utilities Director Gonz Garcia said they have a project next year for replacing the controls on the gas turbines. Before they can do that, they need to service the cooling system. The cooling system is used to cool the oil that is used for lubricating the bearings and gearbox and for controlling a hydraulic fuel valve. Currently, staff cannot lower the temperature of the oil low enough.

Councilmember Gregorcyk asked how much they need to invest in this hardware before it becomes upside down. Garcia said they inspect it every year, and the only weak link is the cooling system. Mayor Shute noted the winter event where wholesale gas and electric prices went extremely high. They discussed having the turbines running as a source of power, but determined it would cost more money to run the turbines than it would to buy high priced wholesale electric. If they aren't going to run at times when there are high costs on the wholesale market, when would they run these? Garcia said the heat rate efficiency is bad with the gas turbines. There are other units in the Southwest Power Pool that can generate cheaper, but the city has to have capacity. The gas turbines offer 27 megawatts of capacity. Without that, they would have to buy a pay per capacity at 2.5 per kilowatt-hour per month or about \$400,000 a year. Investing in the control system will cost around \$1 Million, and they would pay the pay per capacity that in 3 years. Although the units won't run, the city has capacity to purchase energy from the system. Without the capacity, the city would pay for the capacity and the energy.

Councilmember Deaton made a motion to authorize the City Administrator to execute a contract with Allied Power Group for repair and improvement work on the Gas Turbine cooling system in the amount of \$138,720.

Councilmember Winters Seconded.

With a majority of the Councilmembers voting in favor of the motion, the motion carried.

Absent - Baldwin

3. Consider adopting an ordinance establishing the date and time limitations for the discharge of fireworks within the City of Gardner

Deputy Administrator Amy Nasta said at the August 2nd meeting, consensus was provided to change dates and times when the discharge of fireworks is allowed in the city for the observance of Independence Day to July 2-4th, from 10am-11pm each day. Consensus was also provided to add December 31 from 11:30pm to 12am and January

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY
CITY OF GARDNER, KANSAS**

Page No. 2021 - 112
August 16, 2021

1 from 12am to 12:30am as dates and times for consideration when the discharge of fireworks is allowed in the city in observance of New Year's Eve. The proposed ordinance fulfills these requests.

Councilmember Gregorcyk asked if emails would be included in the record. City Clerk Rose did not receive that correspondence.

Cheryl Marquis, 112 S. Oak St. asked if the discharge of fireworks from the public includes shooting guns. She heard some on the 4th of July. Mayor Shute said no, both the county and the City of Gardner prohibit that.

Councilmember Gregorcyk said he will provide emails to the city clerk for inclusion in the record (included at the end of this document). He noted Jennifer Smith is against fireworks, and is for mitigation efforts. He noted Megan Middendorf supports only shooting fireworks on the 4th of July until 11pm.

Councilmember Baldwin suggested decoupling NYE from 4th of July. They were all in consensus for 2-4th and can move forward with that piece. Only a few residents contacted them about NYE. He is interested in doing a survey to gauge interest. Shute said he didn't see much interest in NYE after the discussion. Shute asked if there was consensus to decouple. Consensus was achieved. City Attorney Denk clarified they are striking romanettes ii and iii. Shute confirmed.

Councilmember Deaton made a motion to adopt an ordinance of the City of Gardner, Kansas, amending Section 9.05.030 of the Gardner Municipal Code relating to the discharge of fireworks, as amended.

Councilmember Winters Seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2716.

Baldwin:	Yes
Deaton:	Yes
Winters:	Yes
Gregorcyk:	Yes
Roberts:	Yes

COUNCIL UPDATES

Director Wolff said staff will begin sending out notices to customers about restarting shut-offs and assessing late fees for those who are behind on utility payments. The moratorium ended in May, but staff gave them more time through the hot summer. The weather is more accommodating in October. The notice will direct them toward assistance programs through the county and state, and staff will work with them on payment plans.

Councilmember Gregorcyk asked what percentage of the city is affected. Wolff said about 1500 customers or 17%. The delinquency is about \$1.1 Million. Shute said some have already been placed on a payment plan. Wolff said there are a lot of assistance programs, and they want to make sure residents know about them. Gregorcyk asked how staff will communicate this to the entire city. Wolff said they could do a combination. They can email, but also send out a letter with the utility bill.

Mayor Shute asked City Clerk Rose about CPAC interviews. Rose said they would begin tomorrow night.

Director Garcia said WaterOne is almost finished with the water extension for Prairie Trace and should begin testing next week. For the sewer, the force main is in place and they have started on the lift station. For the electric, the overhead is up and they are working on Prairie Trace Estates and Meadows underground. Shute noted movement on New Trails Parkway.

Director Bruce said the pool is now on weekend-only hours until Labor Day. Revenue is about \$118,000 in admissions, compared to \$130,000 in 2019. Staff wrapped up fall soccer registration. In 2019, they had 573. This year, they have 674, and this is the highest the soccer program has ever had.

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY
CITY OF GARDNER, KANSAS**

Page No. 2021 - 113

August 16, 2021

Director Knopick said public offense code states amount of distance for discharge of fireworks from stands in two locations. There are ways they can get the information out on this. Councilmember Gregorcyk asked if it's included in the permit. Knopick confirmed; when they apply for the permit, staff gives them a copy of the code.

Mayor Shute asked Director Headlee about the Waverly Road project, noting access issues with the high school that were addressed. Headlee said they have alleviated the majority of the issues. Councilmember Gregorcyk asked if they addressed the rainwater runoff going westbound off the sidewalk. Headlee said they have a majority of the plans for that area, and they are still considering options. Councilmember Roberts asked if staff has been in contact with concerned citizen. Headlee confirmed.

City Administrator Pruetting said as they approach end of budget process, staff provide a comprehensive look to council. In recent weeks, he discussed upward wage pressure. They haven't done a wage study in several years, but they monitor wages on an annual basis. Two weeks ago, information came out and the city may have a crisis with the police dept. before the next budget cycle comes around. They are lagging behind significantly over the 2nd year. They did an adjustment 4 years ago. Other police departments have step program. Gardner is \$2-\$4 behind other agencies, who reacted to the shortages by upping their pay. The city has 3 vacancies now, and anticipate 3 more by the end of the year. They get a tenth of the applicants they used to get. Staff will put options together to fix this issue and not have to readdress every few years and bring it back before the body. They plan to keep it budget neutral and they will delay the hiring of the two officers that are in the budget draft. They were not able to address it before this budget cycle ends. Mayor Shute noted the other communities who have gone to a step program and asked if that's what staff are thinking. Pruetting said that is one option. The steps are 4-5%, so with a 3% merit pool, the city falls behind every year. They also have issue with electric apprentice position; it's also \$3-\$4 below the market. They go through the apprentice program and leave immediately. They will look at the city's pay structure going forward. Staff will gather information in HR and do it internally, and get information around JOCO and MARC. Shute said there's upward wage pressure everywhere. Pruetting shared that the Highway Patrol is not scheduled training for CBSA officers. The city has one officer trained. The others are moving on to new jobs. One officer is not enough with the amount of truck traffic. Gregorcyk suggested a "train the trainer" program. Chief Belcher said they cannot do that. KHP has oversight and must certify officers.

Councilmember Gregorcyk noted he is for common sense fireworks. He asked if they can take the fireworks survey further. How do they reach folks that don't have access to the internet? Some people feel disenfranchised by not participating. Administrator Pruetting said it was a snapshot, and it was the most efficient way. Mailing a survey would be expensive, and they may not get 3,000 back. Mayor Shute said a mail ballot election would be costly. Gregorcyk doesn't suggest that. He noted a portion of the community doesn't have access to an online survey. They can discuss how to do better in the future. Shute said the only other option is a mail ballot election. It would be more reliable than an internet survey. Gregorcyk said he is discussing how they can have a survey through other means than online. Deputy Administrator Nasta said she received requests for accommodation and printed a paper survey. The paper surveys were included in the survey results. She and Director Headlee will bring PWAAC into the process in the future. Gregorcyk suggested a mailer in the utility bill that's already going in the mail. Councilmember Winters said 3000 is a good response and comparable to the last vote totals. Councilmember Deaton noted paper surveys have to be counted and tallied by hand, and suggested a flier that directs them to the website so they know the survey is out there. They can go to the library or a neighbor, but they'll know the survey is available. Gregorcyk wants to get more people involved.

Councilmember Deaton asked if there is there a way to not issue a fireworks permit to habitual violators. City Attorney Denk said there was no citation written. The code does have a provision about setting off fireworks within so far of the tent. To take action based on reports would have due process issues. Reports of incidents are not charged through municipal court. They can set up a system in the code if someone has substantiated violations, they could revoke the permit or not issue next year. Gregorcyk said they are first come first served permits for a set number of tents. Pruetting clarified they don't limit to a certain number; everyone who met the permit requirements got a permit. Gregorcyk asked if they can limit tents to a certain number. Pruetting said they can limit permits. Mayor Shute said if the offending vendor pulls a permit first, they get it.

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY
CITY OF GARDNER, KANSAS**

Page No. 2021 - 114

August 16, 2021

Councilmember Winters noted he likes the fireworks and is happy with the days that were approved, but the biggest complaints are on people who discharge outside of the days. Is there any way to focus on enforcement, like taking fireworks away or a fine? Chief Belcher said he is speaking with staff about what's working and what's not, and will work with city administrators on procedure for next year. Fireworks are difficult to trace. Once they see them and drive over, the fireworks are done. Officers have to see them or have someone willing to sign a complaint. Winters suggested setting examples with habitual residents. Belcher said if they make initial contact, they give a warning. They keep a log of addresses they visit, but to his knowledge, they haven't had to make a return call to the same house. Having zero tolerance removes discretion. There are things they can do internally. Staff will evaluate and discuss with administration on moving forward next year. Winter suggested other ways the city can help accommodate residents who suffer through fireworks. PWAAC could look into options. Mayor Shute said they can speak with residents in the disability community to ensure that what they come up with will work. Belcher noted that the 4th is a busy night. They have other calls for service that are higher priority, which take officers out of service. Gregorcyk said they need to find revenues to hire officers. Shute said staff presented a budget with a flat mill, but the consensus was to lower it half a mill. Gregorcyk said there are other revenue streams. Councilmember Roberts said she brought up police wages during budget talks. The need coverage everywhere, not just fireworks issues. Winters suggested increasing fees on tent permits.

Mayor Shute said that he, Deaton, and Roberts attended the ribbon cutting on the new water treatment expansion. He recommended those who couldn't attend to go out and see the facility. Shute commends utility staff and contractors. He asked when they will put the second set of laterals in. Director Garcia said the preliminary study and land acquisition is in the CIP for next year.

EXECUTIVE SESSION

ADJOURNMENT

There being no further business to come before the Council, on a motion duly made by Councilmember Deaton and seconded by Councilmember Winters the meeting adjourned at 8:29 p.m.

City Clerk

Below are the emails received as referenced by Councilmember Gregorcyk:

Subject: Fireworks

Good evening,

I just wanted to let you all know that I think fireworks should only be shot off on the 4th until 11pm. Many citizens have to work the other days and allowing people to shoot them off until midnight is ridiculous. Citizens already can't follow the rules that have been set in years past and it's absurd that you all would think it's ok to allow the community to go so late. People have small children, dogs and some with disabilities who don't do well with multiple days of fireworks. I for one have dogs that I have to drug for a week because they can't handle it. A week is absolutely crazy!! I also have a small child who I would appreciate if unruly people wouldn't wake her either. Please consider all the citizens and pets when making this decision.

Thank you for your time,

Meagan Middendorf

Subject: Firework Discussion

Good Afternoon,

I wanted to take a brief moment to bring up items discussed over the past several years about the time frames of discharging fireworks.

It is known the council is pro-firework, you all represent close to 22,000 residents of this community. Over the last several weeks when you all have been discussing what the plans are for the next year, you all have still never brought up the efforts of accountability that I brought before you in the July 6th meeting. You as a council are accountable for ALL citizens. You have not discussed the process of stronger and stricter guidelines when rules are broken.

This last year, fireworks were immediately being shot off when the tents opened, all hours of the day and night. Even the days they were legal they were being shot off past 2am. Yes, we all know the fluke this year was the air show which had the Gardner PD stretched very thin.

If you all are going to vote in the way of the 2-4th which I am figuring will happen, what policies are you going to put in place that have to be upheld to protect those citizens that can not handle the fireworks. Year after year, no one has ever stood up for those citizens that can not handle the loud noises, the flash bangs for hours on end. It would be nice to have one council member stand for those that can not handle the fireworks and make sure those that break the rules are held accountable.

I have come to this council year after year about these issues, and feel that they are not taken seriously. I have neighbors and other residents of this community discuss how they have issues with the days and the hours of discharge and have asked them to email or talk to the council and they will not because they say it does not help. I am just letting you know how residents feel.

If fireworks are going to happen, there once again has to be accountability.

As I discussed with Mayor Shute after the council meeting on the 6th of July, this needs to be a registered voters citizens vote.

The survey had great response, but I do know that some children filled it out with coaching from their parents. They used different emails that were set up. Very sad the level of deceit that people would go through, as well as many residents did not fill out the survey as they do not have computers, a smartphone or an email.

I urge you to vote no for New Year's Eve, as that could open up another policy of people not following the guidelines, many people still have to work and do not get that next day off, and there are enough issues the Gardner PD has to deal with on NYE please do not add another layer. And if you are going to vote yes, are you prepared to staff up the police force with more funds and OT hours as well. New Year's Eve is not a good time to allow fireworks in my personal opinion.

Thank you again for your time and consideration on these issues that will be discussed this evening.

Jennifer Smith

COUNCIL ACTION FORM

CONSENT AGENDA ITEM NO. 3

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: GONZ GARCIA, UTILITIES DIRECTOR

Agenda Item: Consider authorizing the execution of a change order for the installation of ultraviolet disinfection system and non-potable water system at Kill Creek Water Recovery Resource Facility

Strategic Priority: Fiscal Stewardship
Infrastructure and Asset Management

Department: Utilities – Wastewater Division

Staff Recommendation:

Staff recommends authorizing the City Administrator to execute Change Order #1 for \$50,093.00 for installation of ultraviolet disinfection system and non-potable water system at Kill Creek Water Recovery Resource Facility.

Background/Description of Item:

On January 19, 2021, City Council approved a contract for Crossland Heavy Contractors, Inc. to replace the existing belt press with new screw press equipment at the Kill Creek Water Recovery Resource Facility in the amount of \$442,000.00.

Change Order No. 1 is related to the ongoing process of replacing existing equipment which has reached the end of its useful life. The city purchased a new UV disinfection system and non-potable recycled water system from Haynes Equipment under a separate contract.

This change order will allow the City to use the contractor and sub-contractor currently on site performing similar work at KCWRRF. By doing so, there will not be additional costs associated with the bid process and mobilization fees for a new contractor. This will also expedite the replacement of the old equipment.

Contractor	Total Cost
Crossland Heavy Contractors, Inc.	\$33,611.00
Yates Electric Co.	\$16,482.00
	\$50,093.00

Financial Impact:

Funding for the project is available from the Wastewater Fund CIP WW2001.

Attachments included:

- Change Order No. 001
- Proposals
- Competitive Bid Waiver

Suggested Motion:

Authorize the City Administrator to execute Change Order #1 for the installation of UV disinfection system and non-potable recycled water systems as part of the Belt Press Replacement at Kill Creek Water Recovery Resource Facility in the amount of \$50,093.00

CHANGE ORDER

PROJECT NAME: Belt Press Replacement at **Change Order No.** 001
Kill Creek Water Resource
CONTRACTOR: Recovery Facility Date: 8/5/2021
Project No. WW1901

Reason for change order:

Installation of additional equipment to be replaced at the Kill Creek Water Resource Recovery Facility. The ultraviolet disinfection system and non-potable recycled water system has been purchased by the City per separate contract from Vendor. Change order is to have this equipment installed by contractor and their electrical sub-contractor currently on site replacing the belt press equipment.

Description of work:

Installation of UV disinfection system and non-potable recycled water system.

Item	Description	Quantity	Units	Unit Price	Amount
1	Crossland Heavy Contractors Inc.	1	LS	\$33,611.00	\$33,611.00
2	Yates Electric Co., Inc (Electrical Sub-contractor)	1	LS	\$16,482	\$16,482
					\$50,093

NOT VALID UNTIL SIGNED BY THE OWNER, ENGINEER AND CONTRACTOR

Original Contract Total \$442,000.00
Net change by previously authorized Change Orders..... 0
Current Change Order amount \$50,093.00
New Contract Total including this Change Order \$492,093.00

The Contract Time will be increased by 30 days

NOTES: This summary does not reflect changes in the Contract, Sum, Contract Time or Guaranteed Maximum Price which have been authorized by Construction Change Directive.

RE: Kill Creek UV System Modification Bid Proposal

The basis of our proposal is the plans prepared by GBA, Inc. dated May 2001 & product data/drawings provided by Haynes Equipment Company. Our proposed pricing is based off the outlined scope of work below.

Inclusions:

- Kill Creek WWTP UV Modifications:
 - Demolition of miscellaneous piping as required.
 - Furnish, and Installation of miscellaneous metals.
 - Relocation of existing stairs and supports to allow for more space for new UV equipment.
 - Extension of walkway to the North.
 - Installation of new grating, supports, and handrail for walkway extension.
 - Demolition of Non-Potable Water Skid & Associated Piping.
 - Installation & startup of new wash water pump skid & associated piping
 - Demolition of existing UV Reactors & cut existing ductile iron pipe to fit the new UV systems.
 - Installation & startup of New UV System and associated concrete pads.

Exclusions:

- Sales Tax
- Performance & Payment Bonds
- Prevailing wage rate requirements
- Any item not stated in the outline scope of work above.

Pricing

Materials: **\$13,675**

Labor: **\$16,094**

Subcontractors: **\$3,392**

Dumpster: **\$450**

BUDGET: **\$33,611**

Please feel free to call with any questions or concerns.

Attn: Scott

Re: Replace UV and Non-Pot

We take pleasure in submitting the following proposal in accordance with specifications included herein and subject to the conditions on reverse side hereof for acceptance within 10 days from above date. Estimated Delivery or Completion Date: As soon as possible. **Terms: Net T.B.D**

We propose to furnish the material & labor necessary to complete the following:

UV:

1. Demo out four existing control cabinets.
2. Install two new control cabinets.
3. Demo power and controls on the two existing UV Modules and install jboxes on conduits.
4. Route new control cables from control panels to UV modules.
5. Makeup control cable connectors.
6. Provide and install two new breakers.
7. Provide and install new feeder wire to control cabinets.
8. Assist with startup and commissioning.

Price: \$12,641

Non-Pot:

1. Demo conduits out of control cabinet.
2. Reuse existing breaker, feeder, and control wires.
3. Extend existing conduits as needed.
4. Assist with startup and commissioning.

Price: \$3,841

We are excluding the following:

1. Overtime.
2. Demo existing Non-pot control cabinet, devices, and skid (done by others).

Total Price: \$16,482

Not with standing any provision herein to the contrary, in the event that, during the performance of this agreement, the price of materials and/or any other necessary commodities increase or the delivery of the aforementioned is delayed for any reason beyond Yates Electric Co., Inc. control, Yates Electric Co., Inc. shall not be liable for any additional costs, damages or impacts for such conditions. Costs shall be documented through commercial quotes, invoices, receipts or other such documentation.

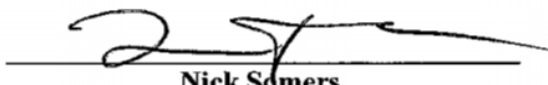

Work shall conform to the National Electrical Code. We appreciate the opportunity to quote this project for you and look forward to its installation.

YATES ELECTRIC STANDARD FORM AND PROPOSAL & CONTRACT

Wherever the words "Electrical Contractor" and "Customer" may appear hereafter they shall refer to the respective parties named on the reverse side hereof and signatory hereto.

1. This proposal is in accordance with the Electrical Contractor's understanding of the requirements of the project from information which the Electrical Contractor received from the Customer, or its agent, and if written plans and specifications are furnished by Customer, the Electrical Contractor's interpretation of them, such written plans and specifications being hereby incorporated by reference in this proposal. The Electrical Contractor assumes no responsibility as to the accuracy or suitability of such plans and specifications. It is further understood and agreed that this proposal and contract does not include any labor or materials not specifically mentioned herein. Unless otherwise provided in the plans and specifications, the Electrical Contractor shall have the right to select all materials. When specified materials are unavailable, the Electrical Contractor shall have the right to substitute for such specified materials other materials of equal or better quality. On remodeling or relocation jobs, the Electrical Contractor shall have the right to use any existing materials if suitable and to keep any materials that have been replaced by new materials.

2. Payment shall be made on completion of this contract if the work is completed within a period of 30 days. If the work continues beyond a period of 30 days, or is delayed for reasons beyond the control of the Electrical Contractor, monthly progress payment shall be paid in an amount equal to 90% of the first 50% of the work and 100% of the last 50% of the work. Payment shall be made to the Electrical Contractor by the 10th of the month following the date of any billing. The Electrical Contractor shall not be required to proceed with the installation of the work if the payments applying on same have not been made as specified in the contract. In the event suit is filed by the Electrical Contractor to collect any monies due him hereunder or to enforce any other provisions of the contract, the Customer agrees to pay all costs and all reasonable attorney's fees incurred, together with interest on all of the unpaid balance at the highest legally permissible rate in the State in which the project is located.

3. Changes and additional work ordered by the customer shall constitute additions to this contract and the amount to be paid for the same shall be determined by the Customer and Electrical Contractor at the time said work is ordered. If for any reason the parties shall fail to agree upon the amount to be paid, then the Customer shall pay a reasonable price therefore, computed on a time and material basis. If the change requested by the Customer shall reduce the amount of labor or material, or both, that the Electrical Contractor shall furnish to the project, the Customer and the Electrical Contractor shall agree at the time that the change is requested on the amount of credit that shall be given by the Electrical Contractor to the Customer, and, if they do not agree upon an amount of credit, then the reasonable value of the deducted labor and of unused materials less restocking charges shall be credited to the Customer. The Electrical Contractor shall receive written orders for all additional work or changes signed by an authorized person before proceeding with such additions or changes. However, if such written orders are not received, this shall not affect the right of the Electrical Contractor to receive payment as above for said labor and materials so furnished. Payments for additions or changes shall be made under the same terms and conditions in Paragraph 2.

4. All prices quoted herein are firm upon acceptance of this proposal, and are subject to correction prior to acceptance. All proposals are conditioned upon acceptance within the time limit specified on the face of this proposal.

5. Where this proposal covers the connection of machinery and equipment, it is based upon one point of wiring attachment to each machine, unless plans and specifications clearly set forth in detail any different wiring which is to be installed on such equipment or machine, or where specifically set forth and included in this proposal.

6. It is a condition of this proposal that all materials or devices which are supplied by the Electrical Contractor for installation will be of types that are approved for the purpose under the applicable electrical code. It is further stipulated that the Customer will assume the same responsibility for any material or equipment not furnished by the Electrical Contractor, including the adequacy and approval of all existing services, feeders, panels, control devices other facilities which are to be utilized in this installation, and the Customer will assume responsibility for any changes in connection therewith which may be required by inspection authorities, or for any other reason, unless otherwise specifically set forth in this proposal.

7. This proposal, including any plans, specifications, drawings or engineering data, are furnished by the Electrical Contractor to Customer in trust for determining the scope of the work to be performed and shall remain the property of the Electrical Contractor. They shall be immediately returned to the Electrical Contractor in the event he is not awarded the contract to perform such work. If such plans, specifications or other data are used for the purpose of obtaining other bids or in connection with the installation, the Customer shall pay the Electrical Contractor for all expense in preparing such plans or other data on an engineering fee basis.

8. Any bonds required by Customer shall be furnished by the Electrical Contractor and the cost thereof added to the price of this proposal, unless otherwise provided in this proposal.

9. It is hereby stipulated that the Electrical Contractor shall not be held responsible or liable for any loss, damage or delay caused by fire, strikes, accident or any other cause beyond his control. The Electrical Contractor's liability is expressly limited to the cost of replacing any defective electrical workmanship or materials furnished by him and shall not extend to any consequential damages of the Customer or others. Any claim hereunder must be made within six months of the date of installation. Public Liability, Worker's Compensation, Property Damage and Automobile Liability Insurance are carried by the Electrical Contractor and certificates will be delivered upon request. Fire and Extended Coverage Insurance will be provided by the Customer covering the premises, all improvements at the jobsite, and all materials and equipment stored thereon. Such insurance will cover the interest of the Electrical Contractor. If Customer is tenant of the premises he shall indemnify and hold Electrical Contractor free and harmless from any claims of the owner, or other third parties,

arising by reason of any electrical work done as directed by Customer and from any claims arising from the taking of possession of replaced materials in accordance with Paragraph 1.

10. Unless otherwise provided herein, the amount of any present or future sales or other tax, Federal, State or City, which the Electrical Contractor now or hereafter shall be required to pay, either on its own behalf or on behalf of the Customer, or otherwise, with respect to any labor or material covered by this proposal shall be added to the prices quoted herein and paid by the Customer in the same manner and with the same effect as if originally added hereto.

11. If the Customer shall enter into a sale or shall sell all or any part of the premises herein involved, the full amount remaining unpaid on this contract becomes due and payable within 48 hours after date of such sale or agreement of sale at the option of the Electrical Contractor. Title to any of material sold or installed hereunder by the Electrical Contractor shall remain in the Electrical Contractor until all the terms hereof have been complied with, and in the event such materials are affixed to realty, it is expressly understood and agreed that they shall remain personal property subject to removal by the Electrical Contractor. The Customer hereby waives any and all claims for damage to said realty or buildings caused by the removal of said materials or any part thereof and, if the Customer is not the owner of said realty or buildings, the owner likewise waives such claims by countersigning this contract or, in the absence of the owner's countersignature, the Customer accepts full liability for any such claims made by the owner.

12. The price has been determined on the basis of straight time and normal work week. No overtime will be worked unless ordered by customer or his representative. In the event overtime is worked, the overtime premium rates plus Electrical Contractor's regular markup for overhead and profit will be paid as an extra.

13. Upon acceptance, it is understood and agreed that this contract cannot be cancelled except by mutual consent and then only after payment to the Electrical Contractor for all labor, material and job costs incurred to the date of cancellation plus his overhead and profit thereon. This contract embodies the entire agreement between the parties except as otherwise stated herein, and may only be revised or modified by an appropriate fully executed written amendment hereto.

14. Authorization to proceed with the work or issuance of purchase orders by customer to Electrical Contractor accepting any or all parts of this proposal shall be subject to the foregoing conditions.

INTEROFFICE MEMORANDUM

TO: JIM PRUETTING
FROM: GONZ GARCIA
SUBJECT: COMPETITIVE BID WAIVER – UV DISINFECTION AND NON-POTABLE RECYCLED WATER SYSTEMS.
DATE: JULY 30, 2021
CC: FILE

The Kill Creek Water Resource Recovery Facility has been in operation for approximately 20 years. Several pieces of equipment used as part of the treatment process have exceeded the useful life of and due for replacement.

The City is currently contracted with Crossland Heavy Contractors and Yates Electric Company to replace the current belt press equipment used for dewatering the bio-sludge. This equipment was purchased as a refurbished piece of equipment and currently has approximately 30 years of use.

In addition to the belt press, the City has contracted with Haynes Equipment for the purchase of equipment only to replace the ultraviolet disinfection system and non-potable recycled water systems. Installation not included.

Staff recommends using Crossland and Yates for the installation of the new UV disinfection system and non-potable water recycle system for the following reasons:

1. Crossland Construction and Yates Electric is currently under contract and on-site to install belt press equipment.
2. Expedite the installation of equipment due to not having to request bids from contractors to install the purchased equipment.
3. Reduction of mobilization fees by using existing contractor.
4. Based on previous contracts with Contractor, the City has experienced good working relationship and teamwork with the Contractor.
5. Contractor has knowledge and experience of the Kill Creek Water Resource Recovery Facility from previous work conducted.

The total cost for the installation of the ultraviolet disinfection system and non-potable recycled water systems is \$ \$50,093 (Crossland \$33,611 + Yates \$16,482) based on time and materials.

Based on the reasons exposed above, I strongly recommend using Crossland Construction and Yates Electric for the installation of the ultraviolet disinfection and non-potable water systems and request a Competitive Bid Waiver to the Purchasing Policy under Paragraph 30.7.

COUNCIL ACTION FORM

CONSENT AGENDA ITEM NO. 4

MEETING DATE: SEPTEMBER 7, 2021

STAFF CONTACT: KELLEN HEADLEE, PUBLIC WORKS DIRECTOR

Agenda Item: Consider accepting permanent easements for the Regency West development

Strategic Priority: Infrastructure Management

Department: Public Works

Staff Recommendation:

Staff recommends that City Council accept the permanent easements for the Regency West development project.

Background/Description:

The Regency West development required public sanitary sewer and water lines to be extended from Gardner Road to the west. A portion of the sewer and water line is located on private property and requires a permanent easement to the City.

Financial Impact:

There are no financial impacts to the City for the easements being presented.

Attachments Included:

- Easement documents

Suggested Motion:

Accept the permanent easements for the Regency West development project.

Project Name: Regency West 1st Plat Lot 1 - Day Care Center
Parcel No. CF221435-4004
(GARDNER LAND CONCEPTS, LLC)

PERMANENT SANITARY SEWER EASEMENT

THIS AGREEMENT, made and entered into this 22nd day of October, 2020 by and between GARDNER LAND CONCEPTS, LLC, a Limited Liability Corporation, hereinafter called Grantor, and the **CITY OF GARDNER, KANSAS**, a Municipal Corporation, located in the County of Johnson, State of Kansas, hereinafter called Grantee.

NOW THEREFORE, for the consideration hereinafter described, the parties hereto agree as follows:

**SECTION ONE
GRANT OF PERMANENT EASEMENT**

In consideration of One and No/100 Dollar (\$1.00), in hand paid and other valuable consideration, including just compensation paid for all property damage resulting from the public improvement and from those factors set forth in K.S.A. 26-513 and other factors arising from the public improvement to be made, including but not limited to increased water run-off or drainage; loss of trees and landscaping; and erosion, receipt of which is hereby acknowledged, Grantor hereby grants and conveys to the Grantee, its successors and assigns, a permanent easement for sanitary sewer line(s) and other appurtenances in, over, on, under and through the following described land in the County of Johnson, State of Kansas (such land is referred to herein as the premises):

**SEE EXHIBIT "A" ATTACHED HERETO
AND BY REFERENCE MADE A PART HEREOF.**

SECTION TWO

RESTRICTED USE BY GRANTOR

Grantor shall not interfere with the exercise by Grantee of the rights granted herein. Grantor shall not construct or permit to be constructed any structure or obstruction on the above described easement area or interfere with the construction, maintenance, or operation of sanitary sewer lines and appurtenance constructed pursuant to this instrument. Grantor further agrees that it will not change the grade of the area within the Permanent Easement without the approval of the City.

SECTION THREE ADDITIONAL RIGHTS OF GRANTEE

(1) Grantee shall have the right to install additional sanitary sewer line(s) or replace said line(s) with a larger line in the described easement at some future date and under the same conditions as the sanitary sewer line was installed, except no additional payment shall be made for the purchase of said right.

(2) Grantee and its employees shall have free access to the sanitary sewer line, using such reasonable route as Grantor may designate or approve.

(3) In the exercise of the rights granted under this Easement, Grantee shall have the further right to trim and clear away any interfering trees, rocks, shrubs, roots, limbs or surfacing material on the easement area now or in the future, whenever in Grantee's judgment, such items will interfere with access to the sanitary sewer line. All excavation shall be completely filled and sufficiently tamped to an appropriate elevation to prevent settling, with grass areas reseeded or cultivated established lawns resodded without the obligation of subsequent maintenance. All surplus soil, rock and debris shall be removed by Grantee within a reasonable time following the completion of any activity by Grantee unless otherwise agreed to by Grantor.

SECTION FOUR WARRANTY OF TITLE

Grantor covenants that it is the owner of the premises and has the right, title and capacity to grant the easement granted herein.

SECTION FIVE EFFECT OF AGREEMENT

This agreement shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this agreement the day and year first above written.

PERMANENT SANITARY SEWER EASEMENT

THIS AGREEMENT, made and entered into this _____ day of _____, 20____, by and between **GARDNER LAND CONCEPTS, LLC**, a **Limited Liability Corporation**, hereinafter called Grantor, and the **CITY OF GARDNER, KANSAS**, a Municipal Corporation, located in the County of Johnson, State of Kansas, hereinafter called Grantee.

NOW THEREFORE, for the consideration hereinafter described, the parties hereto agree as follows:

**SECTION ONE
GRANT OF PERMANENT EASEMENT**

In consideration of One and No/100 Dollar (\$1.00), in hand paid and other valuable consideration, including just compensation paid for all property damage resulting from the public improvement and from those factors set forth in K.S.A. 26-513 and other factors arising from the public improvement to be made, including but not limited to increased water run-off or drainage; loss of trees and landscaping; and erosion, receipt of which is hereby acknowledged, Grantor hereby grants and conveys to the Grantee, its successors and assigns, a permanent easement for sanitary sewer line(s) and other appurtenances in, over, on, under and through the following described land in the County of Johnson, State of Kansas (such land is referred to herein as the premises):

**SEE EXHIBIT "A" ATTACHED HERETO
AND BY REFERENCE MADE A PART HEREOF.**

SECTION TWO

RESTRICTED USE BY GRANTOR

Grantor shall not interfere with the exercise by Grantee of the rights granted herein. Grantor shall not construct or permit to be constructed any structure or obstruction on the above described easement area or interfere with the construction, maintenance, or operation of sanitary sewer lines and appurtenance constructed pursuant to this instrument. Grantor further agrees that it will not change the grade of the area within the Permanent Easement without the approval of the City.

SECTION THREE ADDITIONAL RIGHTS OF GRANTEE

(1) Grantee shall have the right to install additional sanitary sewer line(s) or replace said line(s) with a larger line in the described easement at some future date and under the same conditions as the sanitary sewer line was installed, except no additional payment shall be made for the purchase of said right.

(2) Grantee and its employees shall have free access to the sanitary sewer line, using such reasonable route as Grantor may designate or approve.

(3) In the exercise of the rights granted under this Easement, Grantee shall have the further right to trim and clear away any interfering trees, rocks, shrubs, roots, limbs or surfacing material on the easement area now or in the future, whenever in Grantee's judgment, such items will interfere with access to the sanitary sewer line. All excavation shall be completely filled and sufficiently tamped to an appropriate elevation to prevent settling, with grass areas reseeded or cultivated established lawns resodded without the obligation of subsequent maintenance. All surplus soil, rock and debris shall be removed by Grantee within a reasonable time following the completion of any activity by Grantee unless otherwise agreed to by Grantor.

SECTION FOUR WARRANTY OF TITLE

Grantor covenants that it is the owner of the premises and has the right, title and capacity to grant the easement granted herein.

SECTION FIVE EFFECT OF AGREEMENT

This agreement shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this agreement the day and year first above written.

PERMANENT WATERLINE EASEMENT

THIS AGREEMENT, made and entered into this 22nd day of October, 2020, by and between GARDNER LAND CONCEPTS, LLC, a Limited Liability Corporation, hereinafter called Grantor, and the **CITY OF GARDNER, KANSAS**, a Municipal Corporation, located in the County of Johnson, State of Kansas, hereinafter called Grantee.

NOW THEREFORE, for the consideration hereinafter described, the parties hereto agree as follows:

**SECTION ONE
GRANT OF EASEMENT**

In consideration of One and No/100 Dollar (\$1.00), in hand paid and other valuable consideration, including just compensation paid for all property damage resulting from the public improvement and from those factors set forth in K.S.A. 26-513 and other factors arising from the public improvement to be made, including but not limited to increased water run-off or drainage; loss of trees and landscaping; and erosion, receipt of which is hereby acknowledged, the Grantor hereby grants and conveys unto the Grantee, its successors and assigns, a permanent waterline easement, with rights to reasonable ingress and egress thereto, for the purposes of laying, constructing, reconstructing, operating, inspecting, maintaining, altering, repairing, replacing, substituting, relocating, adding to, and removing a waterline and/or its appurtenances on, in, over, under and through the following described land in the County of Johnson, State of Kansas (such land is referred to herein as the premises):

SEE EXHIBIT "A" ATTACHED HERETO
AND BY REFERENCE MADE A PART HEREOF.

SECTION TWO TERM

The rights granted herein shall be possessed and enjoyed by the Grantee, its successors and assigns, so long as the waterline and appurtenances constructed pursuant hereto shall be maintained and operated by the Grantee, its successors and assigns.

SECTION THREE ADDITIONAL RIGHTS OF GRANTEE

(1) Grantee shall have the right to install additional waterline(s) or replace said line(s) with a larger line in the above-described easement at some future date and under the same conditions as the waterline was installed, except no additional payment shall be made for the purchase of said right.

(2) Grantee and its employees and agents shall have free access to the waterline, using such reasonable route as Grantor may designate or approve.

(3) In the exercise of the rights granted under this Easement, Grantee shall have the further right to trim, remove, eradicate, cut and clear away any interfering trees, rocks, shrubs, roots, limbs, or surfacing material on the easement area now or in the future, whenever, in Grantee's judgment, such growth will interfere with access to the waterline. All excavation shall be completely filled and sufficiently tamped to an appropriate elevation to prevent settling, with grass areas reseeded or cultivated established lawns resodded without the obligation of subsequent maintenance, and paving restored to its former elevation and condition without the obligation of subsequent maintenance. All surplus soil, rock and debris shall be removed by Grantee within a reasonable time following the completion of any activity by Grantee unless otherwise agreed to by Grantor.

SECTION FOUR RIGHTS OF GRANTOR

Grantor reserves the right to fully use and enjoy the premises except for such use as may unreasonably interfere with the exercise by Grantee of the rights granted herein. Grantor shall not construct nor permit to be constructed any house, structure, landscaping, trees, or any other obstruction on or over or interfering with the construction, maintenance, or operation of any waterline or appurtenance constructed pursuant to this instrument. Grantor may fence the whole or any part of the boundaries of the area within the Permanent Waterline Easement without approval of the City. Grantor further agrees that it will not change the grade of the area within the Permanent Easement without approval of the City. No other public utility line shall be installed

parallel within ten (10) feet of the water/water transmission line. When a utility crosses above or below the water/water transmission line, the utility shall maintain a minimum of two (2) feet from the water/water transmission line at the crossing.

SECTION FIVE PROTECTION OF SURFACE

Grantee agrees to bury all waterlines constructed on the premises at a depth so that such waterlines will not interfere with the drainage of the property.

SECTION SIX RESTORATION OF SURFACE

After construction operations have been completed, Grantee shall restore the premises to as near as possible to the City's construction plans.

Said restoration to be done within a reasonable time after construction completion.

SECTION SEVEN ASSIGNMENTS

The rights granted herein shall not be assignable together or separately and in whole or in part without the written permission of both parties.

SECTION EIGHT WARRANTY OF TITLE

Grantor covenants and warrants that it is the owner of the premises and has the right, title, and capacity to grant the easement herein conveyed.

SECTION NINE EFFECT OF AGREEMENT

This Agreement shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this agreement the day and year first above written.
